

Hole #1

Par 4

Gold~414 Blue~385 White~344 Red~256

This is a deceptively difficult starting hole. The fairway is wide and inviting. Any tee shot lost to the right will be a difficult par. The green is protected by two bunkers and a pond. The slope in the green can turn a long putt into a three putt. Make sure that your approach shot is accurate.

Pro Tip- Hitting this fairway is a must but favor the left side. Par is a good score on the first hole. The green is difficult and accuracy is a must on your approach shots. Don't think that just because your on the green you will two putt. As with most greens at Eagle Mountain this green is big and has some pretty severe slope.
